March 23, 2010
April 27, 2010**

Your Vote Counts at District Meeting

PRECO's service territory consists of nine districts, across 10 central Florida counties. The members of each district are represented by a democratically elected director who serves a three-year term. Each year, three director's terms expire and must be filled by a vote of the members from the respective districts.

William T. Mulcay, Jr.
GENERAL MANAGER & CEO
PEACE RIVER ELECTRIC COOPERATIVE

Where does this vital voting process take place?

Only at your District Meeting. Electric cooperatives, unlike stockholder-owned utilities, are self-governed through a Board of Directors, chosen by the members. District Meetings provide members with an opportunity to vote for the director of their choice; but you must attend in order to cast your vote.

Would you like for me to give you more great reasons to attend your District Meeting?

- Current co-op news and information will be shared
- A member question-and-answer session will be held
- A drawing for great door prizes
- Light snacks served
- Spend time with friends, neighbors, and fellow members in your district.

As a member of Peace River Electric you are entitled to a voice in the operation and governance of your co-op. District meetings ensure your participation in the direction and leadership of your electric cooperative.

District meetings will be held at the convenient locations listed below. Check registration and voting dates and times for your district:

- District 3 Feb. 8 Polls open at 6 pm Kenansville Comm. Center
- District 6 Feb. 9 Polls open at 5 pm Woodland Baptist Church, Bradenton
- District 9 Feb. 11 Polls open at 6 pm Athens Baptist Church, Bereah

Members of these districts will receive a letter informing them of the meetings in advance. I hope to see you soon at your District Meeting.
